ALL adults will also need to take the YPT online training. See Mrs. Silcock or Mrs. Cadima if you have any questions regarding fees or what training you may need.

Scouting for Food. It is that time of year when Scouts begin to collect canned food items for our annual food drive for the holidays. We will be supporting St. Dorothy's again this year. Please pick up a Scouting for Food bag. We will collect the food at our December Court of Honor. We will need parents to volunteer to deliver the food to St. Dorothy's the following day. See Mr. Landers if you can help.

Scoutmaster Conferences & Boards of Review. Scouts wishing to have a Scoutmaster Conference or a Board of Review to earn rank before the December Court of Honor need to schedule those now. You will only have 3 weeks to complete them before the cut off. We will not meet over Thanksgiving break.

Scoutmaster Minute:

"The most important object in Boy Scout training is to educate, not instruct." Lord Robert Baden-Powell

Each week we focus on a scouting skill. The scouts help to educate the younger scouts on those skills and how they will use them. This is the core of scouting, teaching those life skills.
