## Scoutmaster Minute

*"If you make listening and observation your occupation you will gain much more than you can by talk." "The more responsibility the Scoutmaster gives his patrol leaders, the more they will respond." "Trust should be the basis for all our moral training."*

*Lord Baden-Powell*

*We just had our patrol leader elections and we will be mixing up the patrols to form new ones in two weeks. Leadership is one of the foundational goals of scouting and one we as a troop have worked to give our scouts. I look forward to working with our new patrol leaders and other leadership positions that our scouts will take charge of in the next few weeks.*

*If you need a leadership position for rank, look at the following list and review the videos to see if there is one you would like to try. You can let your senior patrol leader know or contact me about a position as we will see if it is available or meets the rank requirement you are working on.*
