Scoutmaster Minute

“Freedom is a fragile thing and is never more than one generation away from extinction. It is not ours by inheritance; it must be fought for and defended constantly by each generation, for it comes only once to a people. Those who have known freedom, and then lost it, have never known it again.”

Ronald Reagan

This weekend we will celebrate Memorial Day, a day to remember all the veterans that have served our country and helped us to keep our freedoms. Some of you will take part in placing flags on the graves of veterans who gave their lives so we can enjoy our freedoms. Boy Scouts have always honored the men and women that have served and we will continue that this week.

If you know a veteran, tell them thank you for their service. Fly the American flag to show pride and respect to all veterans. I will be flying a flag to honor my father who served in the Air Force.
